Wonderful weather, beautiful range condition and great shooting... this could be habit forming. Great to see the new shooters on the firing line, once we get them out, they are hooked like the rest of us.

Match winner was Rick Crawford with a 777-19x while firing a 199-5x at 600 yards with a service rifle AR that was just rebarrelled. Finishing second overall was Ron Chatelain coming in with 774-26 and third was Expert Robert Langham with 771-26x. Great shooting.

On his way to Las Vegas, NV to settle with the Air Force, Neal Jensen managed to pull one over on his wife and stopped in for the match. Now that is a long way to go to shoot, Korea to Mississippi to Carthage to Las Vegas. I just hope he isn't the pilot! Neal fired his first match in over a year and still won the standing match with a 193-6x. Ron Chatelain racked up the x's with the sitting win score of 199-13 to out x John Dunaway. Gary Shannon walked away with the 300 prone rapid match with a 198-4x.

In the classes, Ron was the first HM, John Dunaway was first MA with 771-15x, Robert Langham was first EX with 771-26x, Ferrill Killion was first SS/MK.

Firing for the first time at PCGC was Gary Duffey of Texarkana and Mark Clark and Jeff Thigpen of Bossier City. Also, Nathan Watters of Winsboro, TX found his way down to fire with us, he also fires with the National Guard combat team and has traveled to England and Australia shooting combat.

Next month, July 7, will be three strings of 20 from the 600 yard line. You know it sure is hot in July and under the cover does help (some). I hope to see you there with a new shooter under each arm. Let's get everyone started shooting.
